A GIANT THANKS to everyone who got their dues in on time this year! It may have been our best year yet!

Important Things to Know About Living in The Shores

With all of the new families who have joined our neighborhood a reminder about deeds and restrictions is always helpful.

For all individual questions please see the HOA website and look under deeds and restrictions. There is a wonderful interactive map that shows each homes' specific deeds and restrictions. Because our neighborhood was built in multiple phases that is the best way to know your home's correct information. Or when in doubt please contact the board and they will be happy to answer any questions or clarifications you need!

That being said here are some common reminders:

- Speed Limit is 25 mph.
- Boats, trailers, commercial vehicles, campers or mobile homes have restrictions on how long they can be parked in your driveway.
- All new decks or additions must be presented to the architectural review committee for approval.
- All fencing must be split rail unless it surrounds a pool in which case ornamental wrought iron is the only other option.
- No out buildings are permitted.
- Please do not dump or rake leaves and or grass into any ravines or creeks. Rumpke picks up lawn waste.
- All swing sets must be of wooden construction.
- Garbage cans should not be visible from the street.
- Uncontained mulch piles are not permitted.
- No more than 2 dogs and 2 cats are permitted per property.
- When walking pets please be respectful of others property and pick up waste.
- Parking is allowed only on certain sides of the street. Please be aware of this for yourself, your guests, and anyone who might be servicing your home.

Board Positions Available

This year there will be three board positions open. Please consider volunteering your time or talents. Having volunteers ensures that our neighborhood is run smoothly and that we don't need to engage a management company. This in turn makes it so that our dues are maintained at a similar level to

what they are now.

Positions on the board are as follows:

- President
- Vice President
- Secretary
- Treasurer
- Member at Large

Elections will be held at the annual meeting with positions to be determined by the board at their first meeting. If you are interested in being on the board but cannot make the meeting please contact the current board to get them your information!

Thanks for considering!

Neighborhood Watch: Safety Tips

Here are some helpful tips to remember!

- Close and lock your doors and windows. Don't leave garages and doors open to crime. Recheck that your garage doors are closed at night.
- Park inside your garage whenever possible. If you have to park outside, take your valuables (and anything that looks like it might be valuable) inside.

Lock your vehicles. Take your garage door opener in with you.

- Turn on your lights. Motion-sensor lights can conserve energy and discourage crime.
- Make sure your house looks occupied. If you're away, stop mail & newspapers or have someone pick them up. Alert neighbors so they

can keep a watchful eye on your house. Use lights and radios on timers.

- Report suspicious activity to the police—call 9-1-1. These people usually have a lookout so if you see cars parked that should not be there, report them.

Ponds

Homeowners with properties surrounding the two ponds located within the boundaries of The Shores have asked the board to remind residents that these ponds are on private property and thus off limits for fishing and other recreational activities by anyone other than landowners with property adjacent to the ponds. By Ohio law it is illegal for any residents or guest of residents to access the ponds for any purpose. Homeowners with properties adjacent to the ponds have observed several youth fishing in the lake during this past summer. One homeowner even incurred a large veterinary bill caused by their dog ingesting a fish hook left by someone fishing in the pond. All parents are asked to make their children aware of this restriction so this issue can be resolved.

Promotional Yard Signs

Article 2 – Use Restrictions, Item # 11 states that “No sign of any kind shall be displayed to the public view...” The only exception to that rule is real estate for sale signs. Following complaints from residents the board sought advice from our legal counsel and was told promotional yards signs are included under this deed restriction.

This rule applies to all homes in Sections 3 thru 13. Those living in Sections 1 & 2 are exempt from this rule as it was not included in the list of deed restrictions for those two sections. The board asks that homeowners refrain from displaying any type of yard sign in their yards or placing signs in common areas such as entrances.
